

NRM North sponsorship to attend the 2019 Tasmanian Landcare Conference

October 25 – 27, 2019

Blundstone Arena, Hobart and Surrounds

NRM North is offering sponsorship to community volunteers in northern Tasmania to attend the 2019 Tasmanian Landcare Conference '25 years supporting community Landcare' in Hobart.

This sponsorship is open to all Landcare, Coastcare, 'Friends of' group volunteers, or individual 'landcarers' who can demonstrate that they have participated in community landcare or natural resource management activities in the [northern NRM region](#).

Community volunteers can apply for sponsorship by completing the sponsorship application form and demonstrating their dedicated involvement in natural resource management activities in the northern NRM region during the last two years.

The sponsorship money will pay for your conference ticket registration expenses and can be paid directly to you up front prior to your conference attendance. NRM North may provide funding per person up to:

Members of Landcare Tasmania:	\$319.00 (Member's ticket)
Non-member:	\$418.00 (Professional ticket)

Please note that completing the conference registration process and arranging (and if necessary, paying for) accommodation and travel arrangements are the responsibility of individual volunteers.

Sponsorship funds are limited and there is no guarantee that all applicants will receive support. There is no restriction on the number of sponsorship applicants from any one group, however, NRM North will seek to maximise the range of applicants that are supported to attend. **Applications close at 5pm on Wednesday October 9, 2019.** Applicants will be advised of the outcome by Friday, October 11, 2019.

Successful applicants will be required to submit proof of conference registration and payment.
